23 - 26 SEPTEMBER 2026 | MITEC, KUALA LUMPUR

MIHAS 2026

Shaping Trust, Driving Resilience

The Malaysia International Halal Showcase (MIHAS) returns from 23 to 26 September 2026 at the Malaysia International Trade and Exhibition Centre (MITEC), Kuala Lumpur, bringing together businesses, buyers, industry leaders and halal ecosystem partners under one global platform.

Hosted by the Ministry of Investment, Trade and Industry (MITI) and organised by the Malaysia External Trade Development Corporation (MATRADE), MIHAS 2026 carries the theme "Shaping Trust, Driving Resilience" reflecting the role of trust, quality, technology and collaboration in advancing the global halal economy.

Across 14 sectors, MIHAS creates opportunities for companies to showcase products and services, meet potential partners, explore new markets and gain insights into the trends shaping halal trade. From food and beverages to modest fashion, Islamic finance, pharmaceuticals, tourism, technology and enabling services, the showcase reflects the growing breadth of the halal economy.

MIHAS 2026 combines exhibition, business matching, knowledge sharing and curated experiences to connect established industry players with emerging brands, innovators and international buyers. From 23 to 25 September, the showcase focuses on business and industry engagement, while 26 September opens the MIHAS experience to the public.

Complementing its diverse sector showcase, MIHAS 2026 is anchored by six key components designed to create a more dynamic and meaningful experience for the halal ecosystem: the Exhibition, International Sourcing Programme (INSP), Knowledge Hub, MIHAS Awards, MIHAS Kitchen and MIHAS Modest Fashion Week. Together, these components provide platforms for business connections, knowledge exchange, product discovery, industry recognition and immersive experiences, strengthening MIHAS as a comprehensive gateway to opportunities across the global halal economy.

One Platform. Multiple Ways to Connect.

MIHAS 2026 continues to strengthen Malaysia's position as a global gateway for halal trade, bringing together businesses, buyers, government agencies and industry leaders from across international markets. With a target of 2,000 booths, 1,700 exhibitors and 50,000 visitors, MIHAS 2026 provides a dynamic platform for sourcing, market access, business matching, knowledge exchange and strategic collaboration across the global halal economy.

2,000	1,700	50,000	58
booths	exhibitors	visitors	countries & economies

AMONG THE HIGHLIGHTS

International Sourcing Programme (INSP)

Connecting Malaysian exporters with **450 international buyers**, including premium, physical and virtual buyers, to create meaningful trade opportunities and expand access to global markets.

Knowledge Hub

A dedicated knowledge-sharing platform featuring Power Talks, Meet the Experts sessions, prelude programmes and MIHAS Corner sessions, bringing together industry leaders and specialists to discuss emerging trends, market opportunities and business growth.

MIHAS Awards 2026

Recognising outstanding achievements among MIHAS exhibitors through **15 awards** covering product and services excellence, innovation and sustainability, as well as the Women in Export (WiEX) Awards.

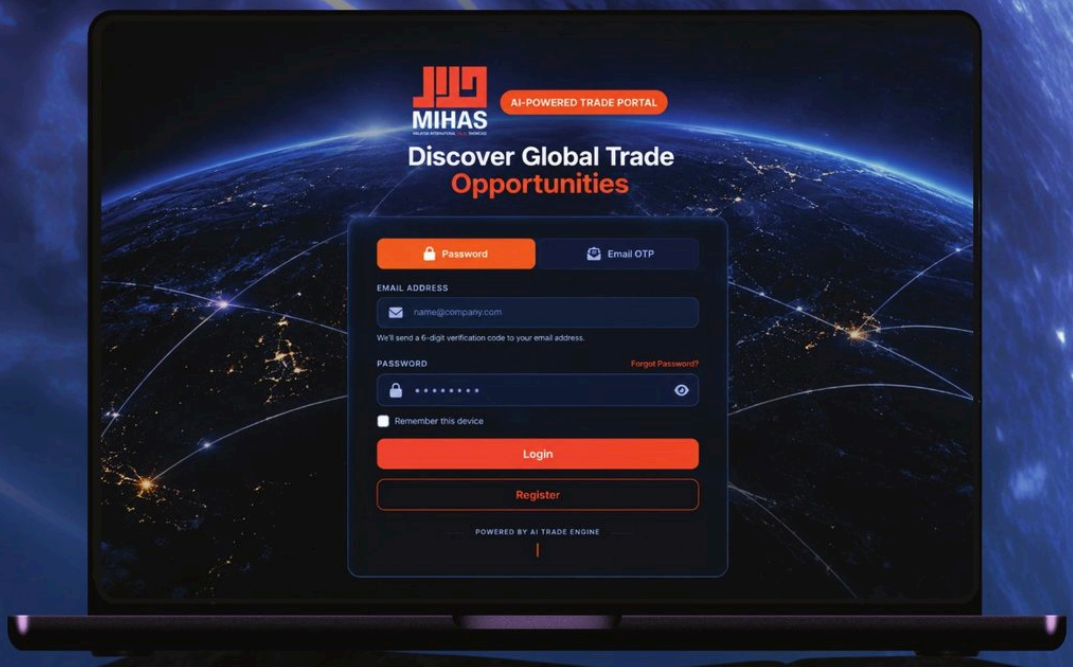
MIHAS 2026 also places greater emphasis on inclusive and high-growth segments of the halal economy through initiatives such as Women in Export (WiEX), MIHAS Modest Fashion Week, and MIHAS Kitchen, creating more opportunities for businesses to showcase innovation, engage buyers and reach new markets.

With participation from 58 countries and economies, MIHAS 2026 reinforces Malaysia's role as a trusted meeting point for the global halal community — connecting opportunities, building partnerships and shaping the future of halal trade.

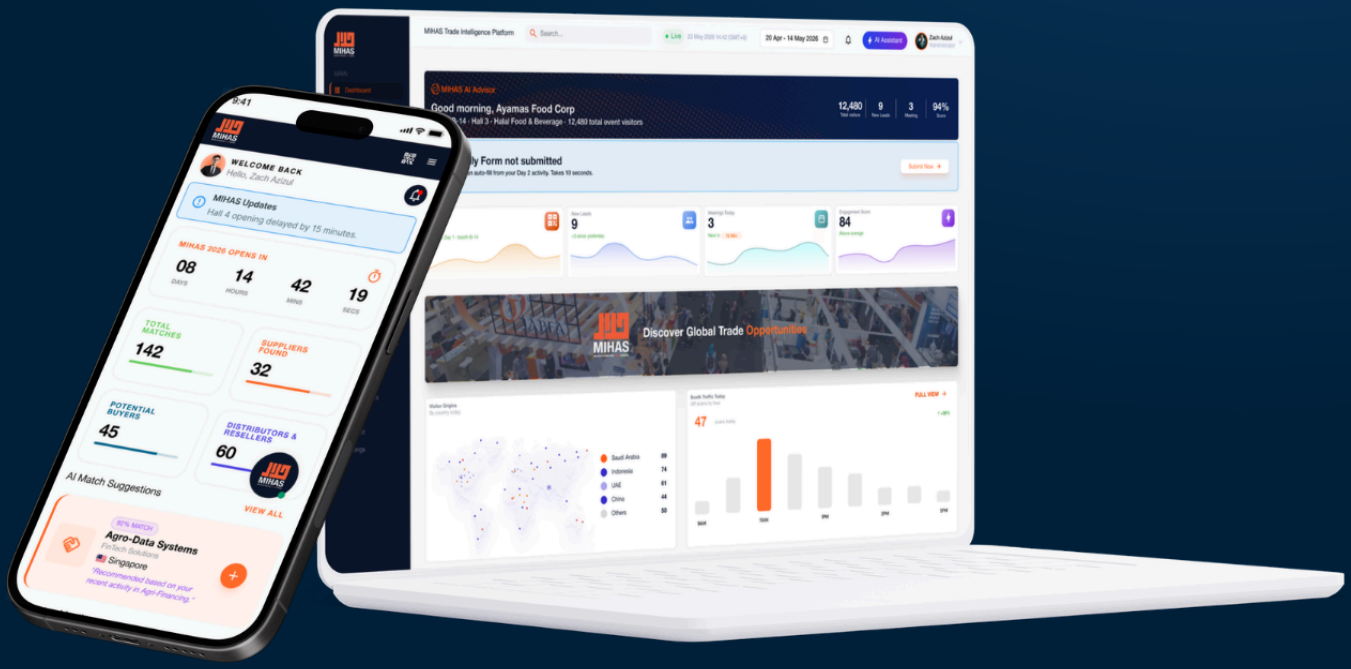
REGISTER NOW

Secure Your Access to **MIHAS 2026**

mihas.com.my



One Platform. Multiple Ways to Connect.



MIHAS 2026 introduces the MIHAS AI App as a smarter digital platform designed to enhance the experience for everyone across the exhibition ecosystem. Visitors and buyers can discover relevant exhibitors, products and solutions more easily, while exhibitors can gain greater visibility and connect with potential buyers, partners and new business opportunities.

With AI-powered recommendations, intelligent search and easier access to exhibition information, the app supports more meaningful connections and more efficient discovery throughout MIHAS. Whether you are exhibiting, sourcing, networking, exploring new markets or discovering the latest halal products and innovations, the MIHAS AI App helps make every MIHAS journey more connected, personalised and purposeful.

1. **Go to the MIHAS Website**
   Visit the official MIHAS website and click “Register Now”.

2. **Access the MIHAS AI App**
   Proceed to the MIHAS AI App registration page.

3. **Click “Sign Up”**
   Create a new account to get started.

4. **Enter Your Details**
   Fill in your name, email address and other required information.

5. **Verify & Complete Your Profile**
   Complete the verification process and add your business profile and interests.

6. **Start Exploring & Connecting**
   Discover exhibitors, buyers, products, solutions and business opportunities.

Your Gateway to MIHAS 2026

The **MIHAS 2026 website** serves as the central digital gateway for exhibitors, buyers, trade visitors and the public to access key event information before and throughout the showcase.

Through **mihas.com.my**, users can stay updated on the latest MIHAS 2026 announcements, explore participating exhibitors and sectors, access programme information, discover key event highlights and find essential visitor information to plan their experience at MITEC.

THROUGH THE MIHAS WEBSITE, USERS CAN:

Explore Exhibitors	Discover participating companies and explore businesses across MIHAS' 14 halal sectors.
View Event Programmes	Stay informed on key programmes, forums, business activities and special features taking place throughout MIHAS 2026.
Access Visitor Information	Find practical information including event dates, venue details, transportation, parking and other useful updates.
Discover MIHAS Highlights	Learn more about key initiatives including INSP, WiEX @ MIHAS, MIHAS Awards, MIHAS Modest Fashion Week, MIHAS Kitchen and the Knowledge Hub.
Stay Connected	Access the latest announcements, event updates and important information throughout the four-day showcase.

The MIHAS website complements the on-ground experience by providing participants with a convenient digital touchpoint to **discover, plan and stay connected** with MIHAS 2026.

INTERNATIONAL SOURCING PROGRAMME (INSP)

Connecting Malaysian Exporters with Buyers from 45 Countries

The International Sourcing Programme (INSP), MIHAS' signature business matching initiative, returns in 2026 with strong international participation, connecting Malaysian exporters with qualified buyers from **45 countries**.

This year, INSP is expected to facilitate approximately **4,000 business meetings**, creating direct opportunities for Malaysian companies to engage potential buyers, distributors and business partners from both traditional and emerging markets.

International interest has exceeded initial expectations, with **500 registered international buyers**, compared with an initial target of 300. At least 50 premium buyers are participating, reflecting continued global demand for Malaysian halal products and services.

Buyers represent a diverse range of markets, with strong participation from established halal trading economies as well as emerging markets. China is among the most represented economies, while markets such as Senegal demonstrate the growing international reach of Malaysia's halal ecosystem.

A Proven Gateway for Global Halal Trade

RM3.63bn	RM5bn	47	450
INSP sales generated in 2025	MIHAS 2026 sales target	MATRADE trade offices	virtual buyers

INSP continues to play a central role in MIHAS' trade outcomes. In 2025, the programme generated RM3.63 billion in sales, demonstrating its ability to convert business connections into tangible export opportunities. For MIHAS 2026, INSP will support the broader RM5 billion sales target by connecting export-ready Malaysian companies with pre-vetted, high-intent international buyers.

Building Partnerships Beyond Borders

INSP is designed not only to facilitate immediate business meetings, but also to create longer-term market access for Malaysian exporters. Through MATRADE's network of 47 international trade offices, participating businesses can continue building relationships, identifying new markets and pursuing export opportunities beyond the exhibition floor.

Beyond Physical Business Matching

The programme extends beyond face-to-face meetings at MITEC. During MIHAS 2026, up to 450 virtual buyers will also connect remotely with Malaysian exporters, allowing international business engagement to continue across borders.

Exporters can also complement their INSP participation through the AI-powered MADANI Digital Trade Platform (MDTP), providing access to trade opportunities throughout the year and supporting continued engagement beyond MIHAS.

AI-Powered Matching Through the MIHAS AI App

MIHAS 2026 further enhances business discovery through the MIHAS AI App, designed to connect exhibitors, buyers and industry participants based on relevant business interests, products and opportunities. Through AI-powered recommendations and intelligent search, users can identify suitable companies, discover potential partners and navigate the exhibition ecosystem more efficiently.

By complementing INSP's curated business matching with digital discovery, the MIHAS AI App creates additional opportunities for meaningful connections throughout the event, helping participants make better use of their time at MIHAS and uncover relevant business prospects beyond scheduled meetings.

MIHAS AI KIOSK

Smarter Discovery. Better Business Connections.

MIHAS 2026 introduces an AI-enabled discovery experience to help visitors navigate the showcase more efficiently and identify exhibitors, products and business opportunities that match their interests.

Through the MIHAS AI kiosk experience, users can discover relevant suppliers and explore recommendations before moving into business engagement through the International Sourcing Programme (INSP). The experience is designed to make a large-scale exhibition easier to navigate while supporting more targeted connections between buyers and exhibitors.

Confirmed Programme Highlight

24 September 2026 | 14:00–15:00 | MIHAS Corner Stage, Hall 8, Level 2

"MIHAS Agentic AI Agents: Turning Connections into Conversions"

by Zach Azizul Othman, Founder, Lekir Tech (M) Sdn Bhd — Open to all.

Advancing Women in the Halal Economy

Women in Export (WiEX) @ MIHAS 2026 is a dedicated platform designed to strengthen the participation of women entrepreneurs in international trade and the global halal economy. Organised as one of the key components of MIHAS 2026, WiEX brings together women-owned businesses, industry leaders, buyers and strategic partners through an exhibition, business matching programme, forum and awards. The initiative expands the Women in Export Forum into a comprehensive platform for market access, knowledge sharing and business recognition.

The WiEX Pavilion provides women entrepreneurs with a prominent platform to showcase products, services and business capabilities to local and international visitors. The pavilion features more than **80 local and international exhibitors** across the 14 halal sectors represented at MIHAS 2026, with participating businesses also highlighting innovation and sustainability.

Honouring Halal Excellence

The MIHAS Awards 2026 returns to recognise outstanding exhibitors whose achievements continue to strengthen and advance the global halal ecosystem. The awards celebrate businesses demonstrating excellence across business growth, product and service quality, innovation, sustainability and digital transformation.

This year, a total of **15 awards** will be presented across three flagship categories, reflecting MIHAS' commitment to recognising businesses that are responding to evolving market demands and building greater competitiveness in the halal economy.

6

MIHAS Excellence Awards

Recognise outstanding products and services that demonstrate strong business performance, quality and market potential.

6

Innovation, Sustainability & Digitalisation Awards

Celebrate businesses that integrate innovation, sustainable practices and digital transformation into their products, services and operations.

3

WiEX @ MIHAS Awards

Anugerah Wira Ekonomi Wanita — recognise achievements by women entrepreneurs and women-led businesses participating in the WiEX @ MIHAS platform.

The MIHAS Awards 2026 places greater emphasis on future-ready businesses that are embracing digitalisation, sustainability and emerging technologies to create lasting value. Entries undergo a comprehensive evaluation process, beginning with pre-assessment followed by pitching sessions before an independent panel of judges.

The awards reinforce MIHAS as a platform for recognising excellence, encouraging innovation and advancing sustainable growth across the international halal industry.

MIHAS Kitchen

MIHAS Kitchen returns as one of the key experiential highlights of MIHAS 2026, bringing the halal culinary sector to life through live cooking demonstrations, chef showcases and a diverse selection of local and international flavours throughout the four-day exhibition.

Co-organised with **BIG Onion**, the programme will take place across MIHAS Kitchen, Level 1 and Level 2 at MITEC, featuring **32 chefs** — 30 local chefs and 2 international chefs — across **16 live cooking demonstrations**. Participating chefs and brands will present a wide range of dishes, from Malaysian favourites and contemporary creations to internationally inspired menus.

Across the programme, visitors can look forward to dishes such as Laksa Johor, Gulai Daging Kawah, Lobster Kari Laksa, Chana Bathura, Rendang Tok Lamb Belly, Nasi Lemak Sushi, Char Kuey Teow, Korean Beef Sliders, Signature Butter Prawn, Chicken Percik and Sagu Gula Melaka, among many others.

The culinary line-up brings together chefs from hospitality groups, restaurants, food brands and international partners, including representation from MasterChef Australia and the United States Department of Agriculture (USDA). Participating brands include BIG Onion, KEWPIE Malaysia, Hyatt Regency KL at KL Midtown, Imperial Lexis Kuala Lumpur, The Ganga Cafe, Nisa Bakri Gourmet and more.

More than a live cooking showcase, MIHAS Kitchen creates an engaging space for visitors to discover products, experience flavours and see how halal ingredients, food innovation and culinary creativity come together in real time.

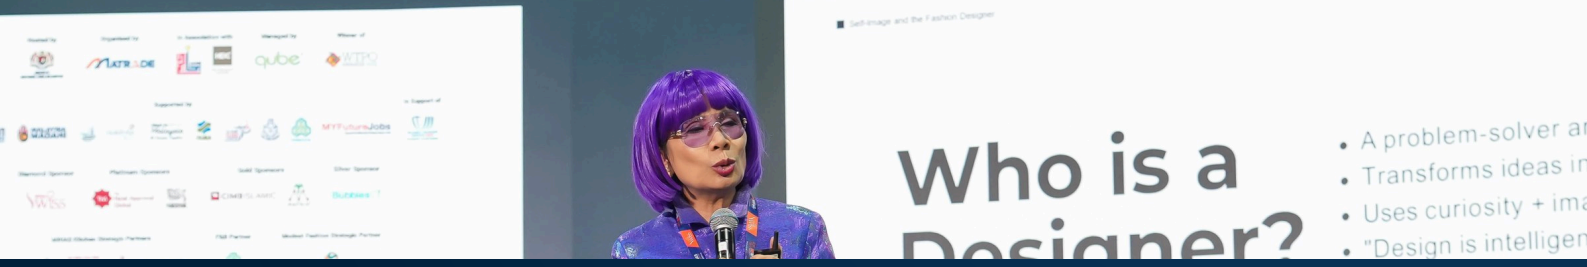
Redefining Modest Fashion Excellence at MIHAS 2026

MIHAS Modest Fashion Week 2026 returns as a signature highlight of MIHAS 2026, celebrating the creativity, diversity and commercial potential of the global modest fashion industry. Designed as a dedicated platform for brands, designers, industry players and fashion enthusiasts, the showcase shines a spotlight on modest fashion as both a lifestyle movement and a growing business sector.

More than a runway presentation, MIHAS Modest Fashion Week 2026 reflects how modest fashion continues to evolve through innovation, cultural expression and contemporary design. From elegant everyday wear to statement collections, the programme highlights how modest fashion is shaping trends while remaining rooted in identity, values and global consumer demand.

This year's programme features **15 scheduled brand presentations across three programme days**, offering visitors a dynamic line-up of showcases that reflect the vibrancy and diversity of the modest fashion scene. The event is further strengthened by the **Modest Fashion Pavilion**, featuring **11 participating brands**, creating more opportunities for product discovery, business engagement and brand visibility.

As part of MIHAS 2026, the showcase reinforces Malaysia's role as an emerging hub for halal lifestyle innovation and positions modest fashion as an increasingly important segment within the global halal economy.



A Global Showcase of Creativity

MIHAS Modest Fashion Week 2026 brings together a dynamic line-up of brands and designers, presenting collections that blend modesty, style and contemporary relevance. The showcase reflects the diversity of modest fashion today — from ready-to-wear and occasion wear to lifestyle-driven concepts that appeal to a broad and evolving global audience.

Business Beyond the Runway

Beyond the presentations, MIHAS Modest Fashion Week 2026 is designed to create meaningful opportunities for business growth. By bringing together brands, buyers, stockists, media and industry stakeholders, the programme supports networking, collaboration and market expansion, positioning modest fashion not only as a creative industry but also as a commercially viable export sector.

Driving Innovation and Market Visibility

The showcase highlights brands that are responding to changing consumer preferences through stronger branding, product innovation and fresh design approaches. It provides a platform for participating labels to build visibility, strengthen market presence and introduce their offerings to a wider international audience within the MIHAS ecosystem.

Modest Fashion Pavilion

Complementing the runway programme, the Modest Fashion Pavilion features 11 participating brands, giving visitors the opportunity to explore products up close, connect directly with exhibitors and discover new brands within the modest fashion space. The pavilion adds a strong commercial dimension to the showcase, bridging fashion presentation with real business engagement.

A Highlight at MIHAS 2026

With its blend of creativity, entrepreneurship and market potential, MIHAS Modest Fashion Week 2026 stands out as one of the key highlights of MIHAS 2026. It reflects the growing relevance of modest fashion within the halal economy and reinforces Malaysia's role as a platform for innovation, collaboration and global industry engagement.
